

ARRIVAL DIRECTIONS AT MOUNTS BAY SC, MARAZION FOR THE ENTERPRISE & OSPREY NATIONAL CHAMPIONSHIPS 2019

Friday 2nd and Saturday 3rd August

You will probably be approaching West Cornwall, westbound on the A30 heading towards Penzance. These directions start after you have bypassed the town of Hayle and you will see the road sign “A30 Penzance”. You are approximately 5 miles from Marazion. Continue on the A30 and look out for the small hamlets of “Canon’s Town”, “Whitecross” and “Cockwells”. As you pass through them look to the left and you might get your first sight of the castle on St. Michael’s Mount.

CONTINUE ON THE A30 through the village of “Crowlas” (40 mph speed limit).

At the next roundabout (Newtown Roundabout) take the SECOND EXIT to “Marazion” (below) signposted “St. Michael’s Mount” and Marazion” (below).

At the T junction by a bridge (below) TURN LEFT over the railway line signposted “Marazion Car Parks” and “St. Michael’s Mount”. You will be heading in the direction of St. Michael’s Mount.

After this junction you will have Mount’s Bay on your right hand side and Marazion Marsh to your left (40 mph speed limit). Continue until you enter the Marazion 30 mph speed limit.

Immediately after the **second set of speed bumps** (and opposite the “MARAZION WELCOMES YOU” sign) take a **RIGHT TURN** into the FOLLY CAR PARK. The car park attendant will direct you to the entrance to the Championship Dinghy Park to drop the boat off. Vehicles are not allowed to be parked in the Championship Dinghy Park. There is a parking charge of £4.00 if you wish to stay in the car park after the initial boat drop off but you can return within the day on production of the ticket.

LATE, EARLY MORNING OR OVERNIGHT ARRIVALS and
EARLIER IN THE WEEK (before Friday 2nd August).

(Please note if you arrive after dark or early in the morning the Folly Car Park will be locked AS THERE IS NO OVERNIGHT PARKING – you will need to carry on into Marazion and take the next right into the Slipway Car Park – opposite The Tudor Fish and Chip shop and immediately turn right again past the St. Aubyn Estates office to the end of the car park and wheel the trailer into the MBSC Club dinghy park. You are advised to move the boat to the Championship Dinghy Park via the Folly Car Park as soon as possible on the Friday or Saturday. There is a daily parking charge in the Folly Car Park (£4.00). (You can leave and return within the day if you keep your ticket).

POST CODE – The closest post code I can find to the Championship Car Park entrance is TR17 0EG (approximately 50 metres beyond the car park entrance).

On Google Earth search for “Mounts Bay Sailing Club, Marazion” and you can see the route on Street View. We look forward to seeing you.
